January 8, 2024

Dear Parents, Guardians and Families,

Welcome to 2024! Happy New Year!

I hope that the New Year finds you staying healthy and safe!

We are ready to dive into second semester and ride the wave of greatness! Students are in enrichment and intervention classes for third quarter to help them prepare for the assessments coming up. Our students are also hard at work getting ready for the transition into the next grade and for our eighth grade-into high school!!

This quarter, we are focusing on our student's attendance to school and to class, and on their timely completion of assignments. If your student is struggling, please take advantage of our after-school tutoring program. Additionally, are finding that you need to speak to one of our staff members personally, all teachers have times available during the week to accommodate such conversations, so please schedule as time. Our office staff are always available to assist with parent concerns, teacher contact information, and frequent questions.

If your student is going to be absent, please be sure to report this to our office staff either by calling the Attendance Line at 520-731-5302 or emailing them at [Secrist@tusd1.org](mailto:Secrist@tusd1.org). For students who are absent, our teachers are posting on-line in Canvas. Parents can log in to Parent Vue, or have their student log in to Student Vue to review assignments, completion, and grades. We can assist you in finding this area on our website if you need support.

We will be hosting our Family Engagement event in February- LEAP into STEAM night on 2/29, so save the date!

Welcome Back Scorpions!

Sincerely,  
Ms. Garcia
